Simple to Set up. Simple to Pay.

1. Make sure your compatible Samsung device* is updated with Samsung Pay
2. Take a picture of your First Citizens State Bank Visa with your device's camera
3. Secure it with your fingerprint and backup PIN and you'll be ready to go

Our Best Security, Built-In.

Samsung Pay transactions are authorized with your fingerprint and use a digital identifier instead of your card number. And even if your phone is compromised, Samsung Knox technology encrypts your card info within a separate, secure data vault.

Convenience and Coverage.

Samsung Pay makes paying with your phone fast, easy and convenient. Plus, it works almost anywhere you can swipe or tap to pay.* See a full list of Samsung Pay merchants at samsung.com/pay
